

Surplus Line Association of Oregon Filing Registration Application

If you are transacting surplus line insurance in Oregon, you must FIRST obtain an Oregon Surplus Line License from the Insurance Division (for licensing information, contact Bonnie Beard of the State of Oregon Insurance Division at 503.947.7209). You would then register with The Surplus Line Association of Oregon as a Filer under "License Information Category 1" below.

If you are reporting transactions where NO portion of the transaction takes place within the State of Oregon, you may register as a Filer under "License Information Category 2" or "License Information Category 3" below and file the appropriate taxes without an Oregon license (provided you comply with the requirements for such transactions).
